

GENERAL NOTES:
 This is a proposed plan. A double check of measurements is necessary after demolition.

Demolish wall between hallway & kitchen.

CH = 95 1/2" AFF

1-Sink base has flip down sponge tray, towel bar & trash can

2-Pantry has four rollout shelves

3-Cutlery divider in top drawer

4-Pull cabinetry forward & cleat to wall

5-Notch cabinet door end panel on upper cabinet to receive panel to left

6-Installer to provide & install duct to go through soffit over cabinets for range hood

7-Cleat counter to wall w/ square edge filler

8-Furnish wood finished veneers & stain to finish doors
